TV on DVD:

**"Moonlighting: Seasons One and Two"** - Bruce Willis leaped to stardom and Cybill Shepherd made her comeback with the 1980s screwball series about a model who loses all her assets except a second-rate detective agency, where she partners up with a wisenheimer private eye. The six-disc set has 23 episodes, plus cast and crew commentary and interviews. DVD set, \$49.98. (Lions Gate)
